ALL IN is a two-year generosity initiative through the summer of 2020 that will combine all of our resources to prepare and propel Hilton Head Island Community Church into the next decade and beyond. The goal is for everyone at Hilton Head Island Community Church to invest in unprecedented ways and see God work powerfully for the **mission**, for our **future**, and for the **world**.

for the **mission**

ALL IN begins with each of us living our mission... to share the message of Jesus Christ and lead people to follow Him. We want to see 100 percent of those who call HHICC their spiritual home giving generously of their financial resources, connected in a group, and actively serving our community. For the Mission includes the financial resources needed for all of our existing ministries as well as planning for additional resources and staffing as we continue to expand our ministry efforts.

for the **future**

ALL IN means increasing our visible presence in the community and planning for the future. We desire to be DEBT FREE with our current facility and to increase our physical footprint on Hargray's current campus. We also desire to add a Worship Center lobby - a permanent place to gather, welcome and connect.

for the **world**

Over the next two years, we will intensify our focus to help local and global ministries. By 2020, HHICC will move from giving 10 percent to giving 20 percent of our weekly contributions to these ministry efforts. We desire to plant a church in Belize through our partnership with ROW KIDS that will be strategically located near the two villages we serve, Billy White and San Marcos.
