Mark 14:43-52

Ezekiel 36:26

Learning from the relationship between Judas and Jesus:

1. We cannot control the decisions of those around us.
2. We can control our reaction to the circumstances of our lives.
3. We have the Spirit of God living in us.
4. We can choose to ask Him to direct our steps each day.

Questions to consider:

Are you willing to surrender your past, present, and future to Jesus?

Are the "WHY's" of your life holding you back from fully trusting Jesus to order your steps each day?
